Meeting Minutes

Meeting for games camp tomorrow at 10

Amanda/Tom—GolB on plasmid!

We need to update project page on wiki-everyone just describe their own section of the project

Steve put protocols on wiki!

Lab meetings Wednesdays and fridays at 4.

Meetings during school year: Sunday afternoons.

Presentation for BIOE120 freshman class on Monday from 2-3. Steve, Tom, Amanda, Bob, and Erin can make it. Recruiting opportunity!

Volleyball: we have 1 court reserved at the moment costing 48 dollars. We need to get more courts hopefully. We seriously need to do a good job advertising!!

Psych Surveys: everyone needs to do at least one, probably easiest before school starts.

Testing out chemical transformations today, much cheaper!!!
