

7.14.10

Meeting Minutes

Francis/Bob: putting stuff into RFC10 format.

Meagan/Erin: got bands for RpoS.

Matt/Steve: Matt's pulling a part from kit/plate. Hopefully start digests tomorrow.

Tom/Amanda: still doing PCR to get stuff out of genome.

Email advisors to remind them to come to the meeting.

Collaborate with northwestern/visit?

Chalk the quad for dip n' dots on Monday night.

Trip to Chicago aug. 7th??

How to train your dragon on the quad Thursday night at 9 PM.
