

A survey of Safety

1. Do you think it is necessary for us to keep our intestinal tracts healthy?
您觉得保护肠道健康是必要的吗?
☐ Yes ☐ No
2. Do you think the pathogenic bacteria in our intestinal tracts really threaten a lot to our healthy?
您认为肠道内滋生的病菌对我们危害大吗?
☐ Yes ☐ No
3. Do you know much about the kinds of pathogenic bacteria in our intestinal tracts and the negative effects they may cause?
您对肠道内致病菌的种类和产生的危害了解的多吗?
☐ Yes ☐ No
4. Do you believe the Escherichia coli which is symbiotic with human body really does good to human's health?
您相信在人体肠道内与人共生的大肠杆菌对人体是有益的吗?
☐ Yes ☐ No
5. Are you willing to take medicine or to take other artificial methods to keep your intestinal tracts healthy?
您愿意通过服用药物或其他人为手段调控肠道健康吗?
☐ Yes ☐ No
6. Do you believe the modified Escherichia coli can kill the pathogenic bacteria in order to help us keep intestinal tracts healthy?
您相信改造过的大肠杆菌可以消灭肠道内致病菌从而帮助我们保持肠道健康吗?
☐ Yes ☐ No
7. Are you willing to use the modified Escherichia coli as a medical treatment of curing the illness of intestinal tracts caused by pathogenic bacteria?
您愿意使用改造过的与人共生的大肠杆菌作为医疗手段来治疗肠道疾病吗?
☐ Yes ☐ No
8. If you are going to use this modified Escherichia coli to kill the pathogenic bacteria, which do you prefer, taking orally or injecting under the belly?
如果使用这种改造过的大肠杆菌来消灭致病菌，您愿意口服还是腹部注射?
☐ Yes ☐ No
9. If using this modified Escherichia coli can kill pathogenic bacteria more quickly and completely, and taking once can lead to having a long-time and an efficient effect, would you like to use this treatment instead of other traditional medical methods?
如果用此种改造过的大肠杆菌方法清除肠道致病菌见效快，治疗彻底，使用一次长时间有效，您愿意用它代替传统的药物治疗吗?
☐ Yes ☐ No
10. Do you worry about the modified Escherichia coli may cause dangerous effect to human? If right, which kind of danger may it cause?
您担心这种大肠杆菌会对人体产生极大的危险性吗？（如果有，您认为是什么危险？）
☐ Yes ☐ No

What danger you think it may cause:
