

2013.9.08 meeting memo

Time: 2013-09-08 Sunday

Location: Room 105, Chemistry Building

Moderator: Tina Zhang

Recorder: Kaiyuan Ni

Absent with leave: Stella Guo, Zhaopeng Cheng, Xiyu Wu, and Fan Wu
Our prime was used up. What's worse, backbone change was not successful. Wiki Framework was done and the home page is nice~.

We should do experiments during daytime instead of stay up night because it's too tired to sustain our energy.
