

CONSENT FORM

Title of Project: Mind the Gut: developing psychobiotics to target the brain-gut-microbiota axis for mental health treatment

Name of Researcher:

Please initial box

1. I confirm that I have read and understand the information sheet for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.

2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason, without my medical care or legal rights being affected.

4. I agree to getting interviewed on camera.

5. I understand that the video interview taken and any information related to it will be shared on the UCL iGEM website (wiki) and at the iGEM conference in Boston.

6. I understand that this interview is not anonymized, and that my face may be disclosed. I give my full consent to this disclosure.

6. I agree to take part in the above study.
