How to send for sequencing (RAMBAM):

1. Go to https://tech-mbookit.medicine.technion.ac.il/Login.aspx?ReturnUrl=%2fDivisions.aspx
2. See instructions!!!!
3. Log in (iGEM, 1234)
4. Go to: "DNA orders"
5. Click: "New order"
6. Choose: Budget ID (Choose 2014417)
7. You can import an Excel file or add it in the table.
8. Click "+" to add: Template Name, Size, Conc., Primer name.
9. Click "V"
10. Press: "save" (ignore the remarks).

Send Samples (until 09:50 every day!)

1. Put the right amount of DNA, primers in an indicated eppendorf tubes.
2. Put in an envelope.
3. Write:

ליחידת הרצף – **למסירה ביד**

הפקולטה לרפואה

לידי לודה/ריטה

מאחור – רשום את פרטייך ופרטי המעבדה.

4. Print the detailed order (+order number) and add it to the tubes.
5. Put on the shelf above the "דואר פנימי", near the MAZKIRUT.

Check your sequence (two days later):

1. "Log in" in the same way.

2. Go to "DNA orders"

3. Click on the right order number

4. Click next

5. Go to results column and save both files.

6. Open the .abi file with vector NTI or chromas lite.
