

Timestamp	What level of education are you currently pursuing or have completed?	What year of college are you currently in/have completed?	How long will it take to complete your college degree?	What year of high school are you currently in/have completed?	Did any of your science classes discuss ecology/environmental science?	What year of university are you currently in/have completed? If you are pursuing or have completed graduate studies please state so below.	How do you feel about the use of GMOs (genetically modified organisms) in farming practices?	How do you feel about the use of pesticides in farming practices (weeds, bugs, etc.)?
