

Questionnaire survey on formaldehyde

Hello, we are students of bioengineering. Now we are doing biodegradable formaldehyde research. In order to better understand the public's understanding of formaldehyde products and requirements, we have designed this questionnaire and sincerely invite and thank you for your participation.

1. What is your age?

- Under 25 years old*
- 25-30 years old*
- 30-40 years old*
- Over 40 years old*

2. Have you decorated your new house in recent years?

- Yes*
- No*

3. Do you know the harm of formaldehyde?

- Do not know at all*
- Know some*
- Know all about it*

4. What sources of indoor formaldehyde do you know? (Multiple topics)

- Decoration and Furniture*
- Decorative materials such as wall cloth and carpet*
- Wall coatings and other coatings*
- Some toys*
- Some aromatics, mosquito killers*

5. Do you think formaldehyde can be thoroughly treated at one time?

- Yes*
- No, it will release continually*

6. What measures do you use to reduce indoor formaldehyde? (Multiple topics)

- Ventilation and Green Plants*
- Activated carbon*
- Aldehyde removal company*
- Air cleaner*
- Windowing ventilation*
- Other*

7. If there is a product that uses microorganisms to remove formaldehyde you would like to, What is the way to look at products?

- Bio spray*
- Compact Boxed*
- Combination of aquatic plants*
- Membrane coatings*
- Other*

8. If there is a biological product in addition to aldehydes, what concerns are you concerned about? (Multiple topics)

- biosafety*
- secondary pollution*
- efficiency*
- Price*
