

# Notts Podcast Guide-

You will need your phone, your laptop, headphones/earphones and an audio recording app (e.g:audacity/

Everyone will connect to a group call via teams, zoom or discord on their laptops, using headphones to listen to the audio.

At the same time everyone will record their audio separately on their mobile phones using a recording app (this allows us to edit out any background noise when you're not talking)

The ideal location to record in is somewhere quiet where you won't be disturbed for the duration of the call (approximately  
20-30 min)

Finally, relax, have fun and enjoy the conversation. We're looking forward to working with you!
