

The Slippery Slope – by PROSTATUS

[intro]

We got an offer for you: PROSTATUS

[verse]

We don't want to see you hurt, but we can tell you got a secret deep down and it burns

Pushing down won't help you cope but let me tell you that denial is a slippery slope

[chorus]

You, might experience some symptoms we know, that can make you feel lonesome.

Oh, don't numb your feelings with this alcohol, it won't change the outcome of your Gleason score

the pain in your gut needs a clean cut, because, your gland is on the size of a coconut.

You need to understand and read a little more, this is too important for you to ignore

[verse]

__You don't know why you hurt, so you just go ahead and hide u-u-n-der your dress shirt.

You think people are judging you, but if you try and open up, you'll find that it is untrue

[chorus]

You, might experience some symptoms we know, that can make you feel lonesome.

Oh, don't numb your feelings with this alcohol, it won't change the outcome of your Gleason score

the pain in your gut needs a clean cut, because, your gland is on the size of a coconut.

You need to understand and read a little more, this is too important for you to ignore
