

Translation of the official approval of the Greek Ministry of Education and Religious Affairs

Subject: Letter Forwarding

We are forwarding you a letter by Mr. Ioannis Vizirianakis – Associate Professor of Molecular Pharmacology and Pharmacogenomics of the School of Pharmacy AUTH – concerning the participation of high schools in an International Biology Competition. We kindly request your actions due to your competence in the matter.

It is noted that our Service, according to the procedure described in the circular of the Ministry of Education no. 48498/GD4/27-4-2021 with the subject "Invitation to submit requests for approval of educational programs, accompanying educational material and student competitions – School year 2021-2022" followed by the consultation of the Institute for Educational Politics approves the conduct of the competitions with the relevant document (upon which there is a clear statement of the terms and conditions for the realization of the actions by the organizers). The manner of implementation of the student competitions and the necessary actions for their realization is the responsibility of the operator.

THE SUPERVISOR
