

All are

welcome

DIVERSITY AND
INCLUSION FOR KIDS

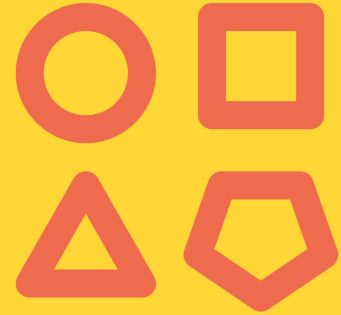

WRITTEN AND ILLUSTRATED BY KOREA_HS

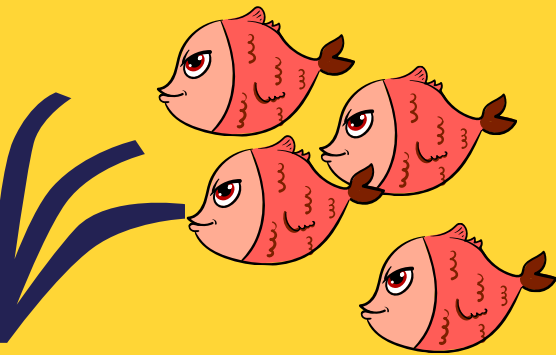

WHAT IS DIVERSITY?

DIVERSITY MEANS THAT THERE ARE MANY DIFFERENT THINGS CO-EXISTING.

...AND DIVERSITY IS ALWAYS GREAT!

IN NATURE, ECOSYSTEMS NEED TO BE DIVERSE IN ORDER TO LIVE.

IF EVERYONE WAS THE SAME, THEY WOULD ALL FIGHT FOR THE SAME THING.

WITH DIVERSITY, THEY SHARE AND CARE!

EVEN TO HUMANS, DIVERSITY IS IMPORTANT!

**IT'S GREAT TO HAVE MANY DIFFERENT
SCIENTISTS AROUND.**

**BY SHARING IDEAS, THEY WORK MORE
EFFECTIVELY AND CREATIVELY!**

THAT IS WHY WE SHOULD WELCOME EVERYONE EVERYWHERE!

NO MATTER SOMEONE'S...

RACE,

NATIONAL BACKGROUND,

OR SEXUALITY!

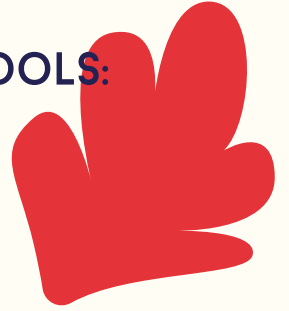

**EVEN IF WE DON'T UNDERSTAND COMPLETELY,
WE MUST RESPECT EVERYONE.**

**IMAGINE YOU WERE BULLIED OR MADE FUN OF FOR
SOMETHING YOU CAN'T CONTROL...**

WOULDN'T THAT HURT?

WE CAN START WITH BEING INCLUSIVE AT OUR SCHOOLS:
WHERE EVERYONE IS A LITTLE DIFFERENT!

INCLUDE EVERYONE IN SCHOOL RECESS!

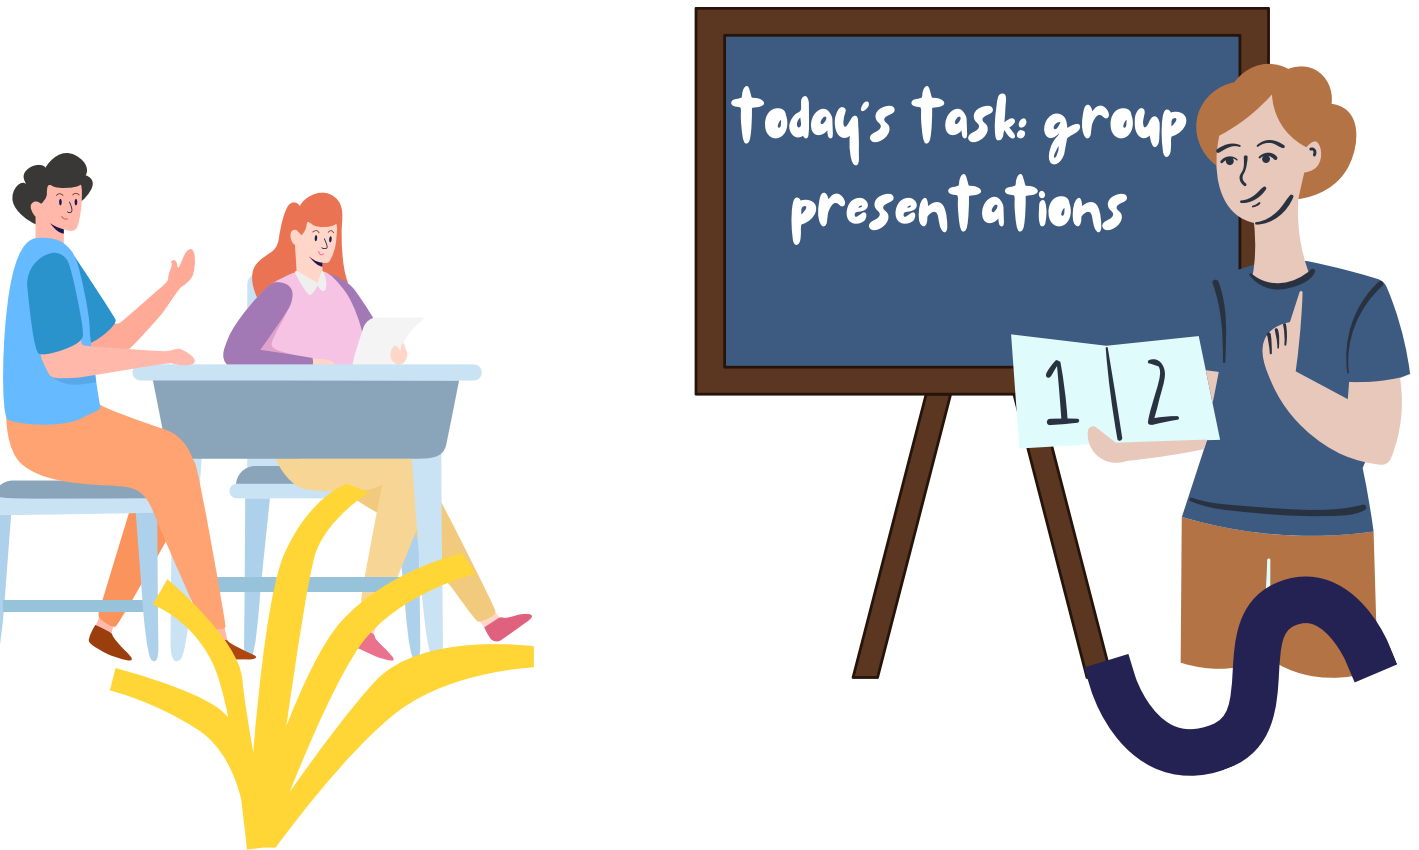

**WHETHER THAT BE DURING SOCCER,
PLAYING BOARD GAMES,
OR JUMPING ROPE.**

IN HOMEROOM, TRY TO WORK WITH EVERYONE FAIRLY WHEN ASSIGNED GROUP PROJECTS!

BE INCLUSIVE TOWARDS **EVERYONE**,

THANKS FOR READING,
AND STAY INCLUSIVE!

- KOREA_HS!
